

# POLE Slim adapter plate

## For installing a second Wallbox eM4 Single

The POLE Slim adapter plate is used to retrofit a second wallbox to a POLE Slim mounting pole for a Wallbox eM4 Single. The adapter plate is made of sturdy sheet metal and colour-coordinated with the mounting pole and the Wallbox eM4 Single. The adapter plate is screwed precisely to the body and the included identical adapter plate of the POLE Slim mounting pole using the installation kit supplied and then serves as a sturdy support for the second wallbox.

### General information

Model	POLE Slim adapter plate for a Wallbox eM4 Single
Product number	100000248
EAN number	4011721193397
Commodity code	85381000
Packaging unit (PU)	1 unit
Items supplied	Download notice, installation kit

### Product information

Fixing type	Screwed to the body and the adapter plate of the POLE Slim
Material	Electro galvanised sheet metal (DC01+ZE25/25-0)
